Ask My Mood Ring How I Feel by Diana López

Booktalk!

Chia needs to make a promise. When someone in your family gets sick, Chia learned, people sometimes like to make a *promesa*: a promise that if that person will only get better, you'll do something big. Maybe you'll plant a hundred trees or never watch television again. So she'll need a big promise – big enough to fight cancer. This was supposed to be the summer of secrets and swimming with her friends. Now they pity her and worry about her. Like it or not, though, she might need their help to keep her *promesa*.
